“ Betty was a participant in my program at Volunteers of America. She was, quite honestly, a favorite of ours. She will be missed by many of our volunteers as well as staff. It was a priveledge to serve her.

Rest in peace, Betty.

“ Dear Lonnie, Chad, Shannon, Makayla and Blaine,  
Though I didn't know Betty, I wanted to let you know I'm thinking of you today and holding you in my heart. Our very dear friend, Carol Canfield, left us several years ago, but the memory of her and the rest of her dear family (all of you!) lives on. May the precious memories of Mother and Grandmother see you through your sorrow.

“ My dear, sweet, funny, kind, caring, loving, lovely Betty. I already feel lost without you. You have been a true friend for over 30 years. One I could count on for wise counsel in just a few words, advice from your heart and life experiences. You were always ready to go for a car ride, fast food, donuts and, of course ice cream. Without saying the french fried had to be fresh.

Thank you for being in my life and openly allowing me into yours. You always said you have great friends....you taught us the meaning of friendship.

I'm sure you, Lloyd and Patsy will have a warm Heavenly Homecoming with lots of laughter and shared stories.

We love you, Betty Canfield.
