“ Dean was such a lovely man, always had a smile. Dean and the boys would sing their barbershop music at St. John's and everyone enjoyed it so much. So sorry to hear of his passing.

“ Dear Shirley and Daughters,
We opened our local paper today and were shocked to see Dean's picture. It really surprised us. We are so sorry. We so enjoyed your and Dean's visits here in Chambers. It is hard to believe. He was a fine man. He filled in for me when he was just in high school and I was teaching in Chambers Elementary. He was a wise lad. And his choices in life revealed his wisdom. We often think of you two, especially when we visit Marian's parent's grave and there are the Farriers. Memorial Day was one our good visiting times. You do have our most sincere sympathy. Love, Marian and Jerald
