

Ed Davis

April 3, 1953 - February 5, 2010

Pastor Eddie Ed Gene Davis, of Fort Collins, died unexpectedly February 5, 2010. Services will be held at 6 p.m., Tuesday, February 9, 2010 at Timberline Church, 2908 Timberline Road. Ed was born April 3, 1953 in Camp Gordon, Ga. He lived with his family in Haswell, Colorado until the age of 9. He then lived in the Timber Lake community in South Dakota, where he learned to drive a tractor, starred in football, basketball, and track and was a top student. In the middle of his junior year in high school he moved to Fort Collins, Colo. He attended Poudre High School and met the love of his life, Donna Shields Davis. They were married July 12, 1975 in Fort Collins before moving to Texas where Ed received his BA in music education from TCU. They then moved to Denver where Ed received his Master of Divinity at Denver Seminary. After joining the Evangelical Presbyterian Church denomination he helped start Cherry Creek Presbyterian in Denver. In 1982 Ed and Donna moved back to Fort Collins and started what is now Christ Fellowship Church. In nearly 30 years of Ministry he has taught, counseled, baptized, and married thousands. He loved and served his denomination by traveling, teaching, supporting and leading committees. Championing missions work, he was involved in Mexico, Guatemala, Africa and here at home. A leader in the Fort Collins Church Network, he had a passion for this city and its churches. He was an outstanding husband, an exemplary father, a leader of many, pastor to pastors, loyal friend, coach, loving son, caring brother and teacher. Ed enjoyed playing, coaching and watching sports with his sons. He enjoyed time with his daughter, daughter-in-laws and grand-daughters. To the chagrin of his kids he was unafraid to talk to anyone, and would often strike up conversations with complete strangers and he had a great sense of humor. He had a passion for growing and learning. Some of his favorite times in his life were fishing trips with his dad, brothers and family. Ed's heart overflowed with love for his family, his church family and his Lord, Jesus Christ and he looked forward to this day, when he would walk the streets of heaven. He is survived by his wife Donna, his two sons Jeremy and Grant, his daughter Amy, his daughter-in-laws Jill and Jennifer, his grand-daughters Kyla, Madelyn, and Kennedy. He is also survived by his parents, Herbert and Wanda, his brother, Maynard, and his wife, Robin, a brother, Barry, his sister Nancy and brother-in-law Mark, father-in-law, Robert and his wife, Wendy, many special nieces, nephews, and

extended family. Ed would not have appreciated flowers or the like as much as he would have appreciated donations to the causes that he held dear. Please make checks payable to Ed Davis Memorial Fund in care of Bohlender Funeral Chapel.

“ Dear Amy and family, I was saddened upon returning from Colorado All-State Choir to hear the news of your father. It is so difficult to find words to express my sorrow for you and your family. You are in my thoughts and prayers. If there is anything I can do let me know. With Love, Karen DeVries

“ Donna, Too long ago to admit to I remember watching you and Ed from afar as you prepared your lives together at First Christian Church. Over the years I know Charlie Patchen has expressed to me his pride in all the good work and love you two have shared with so many in the Lord's service. I was shocked yesterday when Rich Vroon, a fellow member at New Life E.Free church in Aurora told me of his invitation to preach and then of Ed's sudden death. I could only be still and mourn for all of you. As I'm sure you've comforted many through their losses, you know that these days after the services are even more lonely, and I pray the presence of God will hold you during these times, and guide you as you form a somewhat new life for yourself and your family. May He comfort you and your family, providing for you fully. My prayers are with you. Wm Banks

“ Dear Donna, I am so sorry to hear of the loss of your dear husband. Even though I did not have the privilege of knowing him personally, I know God used him in a wonderful way to teach and bless others. Also, God blessed him so much, this side of Heaven, by giving him such a wonderful wife! May knowing "to be absent from the body and to be present with the Lord" help you during this difficult time. “ Donna and family, My mother, June, heard this morning in her Ft. Collins church service of the recent passing of Ed. We are both so saddened by the news. I mainly new Ed in high school and saw him with you at our last high school class reunion, but what always stood out about Ed was his loving, kind countenance. He was different from a lot of the other "popular" guys and I'm sure it was because his heart was guided by his love for our Lord, even back then. I consider it a privilege to have known him. I hope and pray you will receive comfort in remembering all the tremendous love and good memories he shared with you during your time together.

“ Dear Donna and Family, I was so sad to hear today of Ed's passing away recently. I was just sharing with a friend last night how dear the two of you are and what an impact you had on my relationship with our precious Lord and Saviour. I will be praying for you and this difficult time....it is hard enough to lose someone ill, but someone healthy like Ed and so sudden must truly be a faith stretching time. I love you Donna. “ Dear Donna, We are so sorry for the loss of your sweet husband. Not only is this a loss to your family but our whole city will suffer because of losing who God has been through Ed Davis. What fond memories we have of Ed's great smiling face. Whenever we would see Ed alone or the two of you together his smile would light up the space where we were. His kindness towards friends and acquaintances will be one of the things that we will always speak of as we remember him. When our grandson, Rob, was in your care I remember Ed's playfulness not just with Rob but with the other children as well. We are grateful for the place that you and Ed have had in our lives and the lives of our family. May you be comforted by the comfort that God promises.

“ We are so sorry to learn of the sudden loss of Ed. He will be missed by many. His love for the Lord, his family and his friends was a shining example for all of us to follow. I knew him through his frequent visits to our restaurant, The Egg & I. He was always smiling, upbeat and happy. Because of this, Ed was a favorite with our staff. I will miss seeing him light up the room with his presence. I know that he is walking in splendor with God and watching out for us here on earth. May the Lord's words of comfort help you navigate through these most difficult times. Rayno & Patty Seaser

“ I was just informed of Ed's death yesterday by a mutual friend, Brad Haack. Ed was a wonderful friend who will be so very missed by so many. Ed and I were great friends in high school and even though we didn't stay in contact like we both would have liked, we did have the opportunity to visit over the phone a few times in the past couple years. Ed was such a bright light to everyone around him - he is now lighting up the heavens with his smile and love for all. My heart goes out to all of you. Your memories of Ed may bring a tear, but will always end up with a smile. I've always smiled whenever I thought of Ed. God bless you all. Tom Quinn

“ May God be your comfort and know he is always with you. Ed has inherited the greatest gift. Ps 1:1-3 How blessed is the man who does not walk in the counsel of the wicked, Nor stand in the path of sinners, Nor sit in the seat of scoffers! 2 But his delight is in the law of the LORD, And in His law he meditates day and night. 3 And he will be like a tree firmly planted by streams of water, Which yields its fruit in its season, And its leaf does not wither; And in whatever he does, he prospers.

“ Dear Donna and family, Phyllis and I share many happy memories of helping birth the church Ed and you had a vision for! Words from us are not sufficient to convey to you how we feel at this time. God said it best when He announced Jesus' birth through the angels, "Glory to God in the highest, and on earth peace to men on whom His favor rests.! Ed is now experiencing the fulfillment of that favor in the presence of the Lord!

“ Dearest Donna and family, All the Gardners are so saddened by Ed's unexpected passage into heaven. We know by faith that Ed is in his "real" home with our Father. When we think of Ed we smile b/c Ed was always smiling! Ed just made you feel good about being alive. Ed radiated the love of our Lord and Savior, Jesus Christ. When our boys were younger at Heritage Christian School, Ed was one of those adult role models we felt blessed that our boys were around. Our boys LOVED just hanging with Ed! God bless you and comfort all of you. Ed is with Jesus now preparing a place for each of you. With love...the Gardner Family...Fred, Denise, James, Eric and Grant

I attended a service a few years ago that he officiated and was so moved by his compassion and care in ministering to a grieving family. He touched many hearts that day! “ I am sorry to hear about Ed passing away. Your feelings don't go without notice. Sometimes we don't always understand why God takes us home early, much like Enoch was taken. But we know this, Ed was a friend of God. I've learned to live with my past loved ones in my heart, knowing they are safe with the Lord where there is no more pain. Trust me, as time passes on, it gets better and more understanding enters our hearts as we seek God's wisdom. Saint Augustin once said: "Understanding is the reward of faith. Therefore, seek not to understand that ye may believe, but believe that ye may understand." My condolences are with you and the family. I will be out of state during the funeral and won't be able to attend, but I will be there in spirit.

“ My condolences to Ed's entire family. My fond memories of Ed centered around playing early morning basketball at Holy Family Church. In addition to always being our unofficial peace maker, Ed was known for his spectacular jump shots-as he elevated off the court at least 2 inches. I will truly miss him and his infectious smile.

“ Donna and family, I am so sorry. What a shock it was for me to read of Ed's early departure from this life. I still recall the last time I talked with Ed. What a blessing he was to me at that time and how much I could sense his love for people and His Lord. We talked of family and how God was working in both of our lives. His presence will most certainly be missed, but the memories of Ed and the life he shared with family and friends will continue on for many, many years. What a blessing he was to so many and a wonderful model for husbands, fathers, friends and leaders. My prayers go out to you Donna, your children and the rest of your family.
