“ So sorry for your loss and my heartfelt sympathy goes out to everyone in your family. I have many good memories of my childhood and Clayton was always good to me. Some of my best memories were of all our motorcycle camping trips growing up and him dancing with me to Credence! Hope he is having a beautiful reunion with his loved ones in heaven! May you be comforted with the Lord's love!

“ Clayton...you will be missed. I enjoy listening to the stories my sons share while on their elk hunts with you. They think the "world" of you, and talk of how special you are to them. Watch over them, Clayton....for they are your grandsons, and alot like you! Take Nick fishing...he loves to fish. Love, Jeannine
