“ Brigitte & family,
It was nice to see you in church this morning Brigitte - I know it was very difficult for you to be there without Pete at your side, but we hope the hugs, kind words and support from friends helped ease your sorrow. We always enjoy seeing you both in church, teasing Pete about behaving himself & listening to your advice. He always agreed, but with a mischievous grin & twinkle in his eyes. I 'll miss seeing him sitting in the pew behind us. It is with regret that we will be out of town on the 10th, but you and your family are certainly in our thoughts and prayers during this difficult time. If you ever need anything, please let the church office know- we are here for you.

With sympathy,
Dick & Lois Lawson
