

Hubert Thomas Mowery

April 16, 1944 - April 18, 2019

Hubert Thomas Mowery, 75, left us on April 18, 2019. Hugh was born in Cheyenne, Wyoming, on April 16, 1944, to Evert and Gladys (Petty) Mowery. His family moved to what is now Northglenn, Colorado, in 1949. Hugh attended Eastlake Elementary School and graduated from Meritt Hutton Junior-Senior High School in 1962. He attended the University of Colorado (BA cum laude psychology), the University of Akron (MA school psychology), and the University of Northern Colorado (PhD Research and Statistics).

Hugh worked for United Airlines, was a school psychologist for South Platte BOCES, and spent most of his career (1978-1999) with Poudre School District, Fort Collins, Colorado, as Director of Evaluation and Research.

He leaves behind his wife, Marsha. They were married June 25, 1967, in Eastlake, Colorado. He was a wonderful father to Michael Mowery and Debbie (Rich) Mowery-Evans. He adored his grandchildren, Maya and Leo Mowery-Evans. We remember Hugh as a loving person who had a gentle nature and big heart.

His parents predeceased him; brothers, Larry (Suzanne) and Raymond (Jamie) as well as nieces and nephews survive him.

Hugh loved fishing, camping, and all things outdoors. He also had a passion for travel; and he, Marsha and their children traveled extensively.

We want to thank the staff of Seven Lakes Memory Care for the compassionate and devoted care they gave Hugh for two years. Halcyon Hospice administered gentle comfort during Hugh's last days with us.

We have already celebrated Hugh's life in a private ceremony. If you wish to donate, please consider the Alzheimer's Association. Visit bohlenderfuneralchapel.com to send online condolences.

“ We are fence-line neighbors with the Mowreys. Hugh was always a good neighbor, Marsha still is. We have stile on our fence that invites each family to walk on the other's land. We controlled Russian Olives together on both sides. Hugh, always approachable, quick to invite one in to talk, easy to talk to. We had joint ties to Eastern Colorado. We will miss him. Marsha, don't hesitate to let us know if there is something we can help you with. George and Nancy Wallace

“ I was saddened to read of Hugh's passing. He was a friend and a professional helper who made me better at my work as a teacher. I believe Hugh should be remembered as a person who played an important part in PSD's achievements as a district. Tom Tonoli

“ I appreciated the kind, gentleman with whom I worked in PSD who knew so much about academic evaluation. I was Head Teacher for the Title I reading program and Hugh always came through with an accurate accounting of student progress for us. He was great to work with, always the competent patient professional but always showing his wonderful sense of humor as we worked together to get the job done every year. I am glad to have known Hugh Mowrey, both personally and professionally.
