“ Jack was a customer of Academy Bank since I started working there back in 2004. What a wonderful man. He always came across as a little gruff, because of his tone of voice and his imposing stature. After I got to know him, I thought he wasn't the nicest and most professional person I had the pleasure to help. He was always very thankful for assistance and let me know through the years how much he appreciated my help. Whatever the bank needed, Jack supplied expeditiously. I will miss him very much. My thoughts are with Marion and Carol and all of his family.

“ Jack was one of the best people I have had the pleasure to know and work for. The office was at Academy and Constitution then. He was strict about dress code and the quality of work, but he knew how to have fun in the office when the work was complete. I know how much he enjoyed the farm and his work. I saw him a couple years ago when we moved back to Colorado Springs. He told me he could never retire because he loved seeing his clients and the work. My thoughts are with the Carter family, Jack will be greatly missed by all who knew him. I know my life was better for having known Jack.

“ Dear Carter family,

I was a client of Jack's for forty-eight years, so I heard all about his farming adventures: growing potatoes and hay and raising livestock. He told me once that he had restored a 1960s Cadillac. When I went for my next appointment, the Cadillac was outside his office. Jack took me to lunch, and while trying to park the car, we hit every curb in the restaurant parking lot. He was a good man, and I will miss him deeply.

“ Mr. Carter was a friend of my father in his younger days and I was fortunate to meet him while in college when I befriended his name sake at UNC in Greeley. We traveled to meet him for a CU football game in Boulder. He fed us well and we laughed much and then made sure we had the wherewith all to enjoy the game. I ran into him one other time and to me he treated me like a valued friend. He and my father share fun memories and my sympathies to his family. Mark Cooper
