“ I have many fond memories of my friend, Jeanice. We worked together at Bennett Elementary School where I taught third grade for many years. She was a ray of sunshine in the office, willing to help students and teachers alike. She was a dedicated staff member, always ready to lend a hand and give big smiles to all who came her way. She did a variety of jobs in her tenure from counting lunch money to giving out TLC and band aids to little ones in need. I was lucky to have her work with my students in the classroom as well. And was really lucky to have her son, Alan, as one of my students.

Jeanice was a happy, proud parent, grandmother, and friend. She had many tales to tell of her children and grand children. She and Monty loved their traveling days. I recall she was especially happy to live in Scotland for a time. We shared some good times at retired staff parties over the years. She loved to come back to see old friends and share the latest about her family.

She will be sorely missed. I hope the family can take comfort in all the memories of happy times with her.

Fondly,
Janie (Gronenthal) Arnold

“ The words "She will be sorely missed by her family and friends" are so true. I have had the privilege of knowing Jeanice and Monty for over 20 years. First at the Denver Temple and then in our Ward. Jeanice and I Visit Taught for 13 years together as companions and I loved her immediately as did our sisters we visited. She will be missed by all of us. My love to Monty and all her family, Mary Putnam
