“ I'm so very sorry for your loss. Juanita was always so nice when we were kids. We'd come by selling cookies and she was just so sweet.

“ Our family has sweet memories of Juanita. We lived down the street from her when our children were very young and she was always so kind to our family. She would invite us in for a treat and share her collection of dolls with us. I am grateful that we were able to share a small part of her life. She always had a smile and will be missed dearly by all who knew her.
Our deepest condolences.

“ Nita and family,
I was so sorry to learn about the passing of your Mom. The last time I actually talked with her was at Mom and Dad's 65th anniversary in 2014. I was so amazed at how great she looked. Even saw Mrs. Schmidt and Harvey. I do feel guilty for all the times I drove by her house on my way to Mom's and always thought next time I'm going to stop and see Juanita. I never did stop...

My thoughts and prayers are with you. Losing a parent is so painful. I'm unable to attend her funeral tomorrow but I'll be thinking of you and your family.
