“ I was just checking facebook and saw the tribute to Justin. I am saddened to know he passed away. So young. We grew up as neighbors and went through school together. I wish the best for his family...

“ How sad to hear of Justin passing. He was a sweet guy. He used to visit my girl Michelle many years ago and was a gentleman always around us both. God Bless his family and friends.

“ Justin I have so many memories of you, that I'll never forget! You were a very special person in my life and I'm sorry that we lost touch over the years. I enjoyed the talks we had about life. I want you to know I finally took your advice, I found happiness and I'm being good. I know you've went home and you're always going to be looking over all your family and friends. I lost Grandma two weeks ago, you're both in a better place now. Each day is precious, you never know what will happen next, so always live life to the fullest. I love you always and I'll see you again someday in heaven. My thoughts and prayers go out to the entire Mondragon family. Jeremy, Amber and Ashlen be strong and take care, not a day goes by that I don't think about you guys. Love you always.

“ Please accept our sincere condolences with the loss of Justin. As former teachers, we have very fond memories of him at Bennett Elementary. What a fine young man, with a great sense of humor, and great rapport with all. A terrific person. Your family is in our thoughts and prayers. Rob and Kathy Ewing, former Bennett Teachers.
