“ My thoughts and Prayers are with all the Family at this time of loss!

Leonard was a wonderful person and a great dispatcher! He always asked me for my thoughts about different opportunities to haul loads and gave me choices almost every time I was dispatched. He contributed to the success of Transpro Inc./ Burgener Trucking, our Customers, and to all of the drivers he dispatched.

May the Family of Leonard know that we all appreciate them for supporting him in his work.

Sincerely,
Bruce Kemp

“ One of the greatest men I've know after my own dad 20 years ago I always looked up to Leonard as a dad figure in my life, we'd worked together for many years as we both worked at Viney trucking and then at Transpro/Burgener trucking which he was my dispatcher. I truly believe he'll be remembered for years to come as a local legend to some of us

“ I enjoyed the ten years I was able to work with Leonard at Burgener. We enjoyed each others company and worked well together. I will miss our Friday morning breakfasts, he was a good friend, and he cared about his family, more than anything else. My deepest sympathies to June and the family, he will be missed.

“ So many memories of Uncle Lenny. He was such a kind, gentle giant. I bought my first car from him when he and my Dad had an auto body shop. He had repaired and re-painted the fenders, but the paint didn't match. My Dad told me Uncle Lenny was color blind and swore up and down the paints matched! He will be missed. Praying for comfort to Randy and Rhonda and June.

“ The best story i have for Lenny is when he worked with me at Viney Trucking with Duane Viney. They were talking about old times and Lenny remembered something from when he was young. They went to the Ford dealer...which was at the end of town on Drake rd., was having a bear come to the dealership for amusement and Lenny became the amusement. He said that they would wrestle a bear to get some sort of prize. I don't remember what the prize was. Well Lenny got into the space with the bear and before he knew it, that bear had him down on the ground and was licking his belly button. What was so funny about it is Lenny was not a small guy but i bet he felt small at that moment. Lenny was such a great man. I miss him terribly.

“ Paddy called to let us know about Leonard. Leonard kept in touch with us the past year and kept us updated. Our prayers are lifted up for June, Rhonda, and Randy as they go forward without him. Visiting June and Leonard has always been one of our side trips when we travelled back to Nebraska. He will be missed.
