“ My heart hurts and I am sad that illness took Linda from us so soon. Linda was kind, caring and oh so much fun. I loved when she wrote poems and performed them at functions at Transnation Title. I loved how she loved and cared for Tekla. I am so happy she was a part of my life. Emily and Judy, my heart goes out to you and my prayers. May God send his angels to surround each of Linda's family and friends.

“ Emily....seems like yesterday when you and Mandy were 4 months and 9 months old and at the same daycare! I met your Mom then, when we were both anxious, young mothers, worried about leaving you. As you know, we stuck together through several daycares, our friendships growing with each one. Years passed and we lost track of each other at times, but when I would run into your Mom it was as if we had never parted. She was a beautiful person, inside and out, and I am so saddened by her passing. I wish I had known she was sick...I would have loved to chat with her more often. Emily, if ever you need anything, please feel free to contact me or Mandy. I'd love to reconnect and keep that old friendship we started almost nearly 30 years ago, going strong. I'll be thinking of you and praying for you. Please keep in touch.

“ Emily: Oh my goodness...I didn't know your Mom was ill. I am so sorry to learn that she lost her battle with cancer. I remember first meeting you and your Mom when you were still in high school. You know, I truly liked and enjoyed your Mom. She was a delightful woman who was respected by her peers. She was willing to work hard to make big changes in her life. She gave me encouragement, hope, laughs and love when I would stop by to visit and drop off MK products. And I always enjoyed playing fetch with Tekla. I hope she'll be in good hands. I will always remember your Mom's big smile and her easy friendship! She will be missed, but never forgotten. I'll pray for peace and comfort for you all. With love, Colleen Finnman

“ I had no idea that Linda was ill. She and I worked together at Transamerica Title for years and were good friends. I'm so sorry she is gone and my sympathy goes out to her family. Emily, I don't know you but you have my sincere sympathy. She loved you very much and was a great lady. She had a rough life but was a good title insurance person and I will miss her.
