“ I am so sorry to hear of Lois' passing. Doug and I knew her and John well as our cabin at Black Hollow was just next door to their home and we knew her for all of those 45 years. What a wonderful place that was for all of us. I remember Lois for her hospitality and for her beautiful yard. She was so creative and worked hard with her flowers and her hummingbird feeders. And she even had a garden across the highway on some property (trying to keep the deer out). That was quite an effort. Lois and I had some good talks.

The rest of us at Black Hollow so appreciated that she and John and, later, just she kept things under control during the winters when we weren't around much.

Peace to all of you in your loss. Joyce Sjogren

“ I have had the pleasure of knowing Lois for the past several years. I have many fond memories sharing coffee/tea and going out to dinner with her. Linda and I we honored that she was able to attend our wedding shortly after breaking her hip last year. We both enjoyed her sense of humor and great smile!

Thanks for being part of our lives Lois! You will be missed by many!
