

## Margaret Ann Assel

April 29, 1942 - April 1, 2019

Margaret Ann Assel, 76, passed away on 4/1/2019 at Pathways Hospice in Loveland, Colorado. During her struggle with cancer, she was supported and cared for by her amazing healthcare providers and by the incredible hospice staff.

Marg was born April 29, 1942 in Mandan, North Dakota to Helen and Christian Assel. She was the oldest of five children. She attended Mandan Senior High School and moved to Denver in her early twenties. A few years later she moved to Fort Collins. Marg completed a forty plus year career as a travel agent where she was able to meet people from all walks of life and travel extensively.

Marg enjoyed a very active life participating in her many interests and hobbies. She leaves behind several long-term dear friends that loved and supported her until the end. She was blessed to have had many fond memories of the time she spent with her friends doing everything from playing bridge to cross country road trips.

The highlight of Marg's life was spending time with her 4 grandchildren, who fondly called her "Nanny". Her children Melinda Sharkey (Bradley Schoonveld) and Steven (Christina) survive her. She is also survived by her four siblings, William Assel (Margaret) of New York, Kathy Tillery-Assel (Edward Tillery) of Oklahoma, Thomas Assel (Barbara) of Tennessee, and Christopher Assel (Karen) of North Dakota. Her memory will live on in the countless nieces and nephews who also survive her.

A Rosary will be recited on Thursday, April 25 at St. Joseph's Catholic Church on 300 West Mountain Avenue in Fort Collins from 6-7 pm. A memorial Mass will be celebrated on Friday, April 26 at 2 pm, also at St. Joseph's Catholic Church

In lieu of flowers, the family requests that you consider a donation to either Pathways Hospice or to St. Jude Children's Hospital in her memory.

“ I first met Marg when I was about 11 or 12 years old (I'm 62 now) when she started working for my dad at Fort Collins Travel. She left for a few years then came back in 1980 where we both worked for nearly 18 years until the agency's closing. She had a no nonsense work ethic and strived for perfection in her job thus creating many repeat customers. My love to Melinda and Steven during this hard time, it was great watching you both grow up.

“ Marge was always a treat to visit with. Whether Discussing travel or investments I always enjoyed getting together with Marge and family. The fun started when discussing grandchildren and family. Time flies, it seems like just the other day sitting around the kitchen table with Marge and two junior high age children discussing education plans and goals. Thanks for the years of friendship, Rest In Peace Marge.

“ Marg was my travel agent in the years when I was beginning to dip my toe into traveling abroad. She made it possible for me to move to France for several years and become a travel writer as she showed me various tips and tricks to be safe and happy.

A visit to her desk at Alpine Travel was never a short one. Marg always wanted to hear my latest travel stories. When I returned home, she attended many of my parties and we stayed in touch until she stopped responding.

I'm very sorry to hear she battled cancer at the end but have a feeling it changed her little.

“ Our deepest sympathy on the death of Marg. So many memories....Bringing Turkeys to Southern Colo and staying with my in-laws....They often commented that she made a mean omelet. Our first barg trip on a river through Germany, was when we got to go with Marg. She was our travel agent for many years and we so appreciated her expertise. Rest in Peace. Our prayers are with the family

“ Marj scheduled all my dad's (late Thomas B Borden) personal travel, when he attended SAF, NASF and other forestry related meetings. Her expertise, experience and friendship made "traveling" with her much less stressful. Please except our deepest condolences on your loss of this terrific woman.

“ Marge was my neighbor for many years. She was a strong positive woman. She once told me when we were discussing her diagnosis that she knew her illness would take her, but until then she was going to enjoy her life and fight as long as she could. I have no doubt this attitude gave her extra time with her family who she loved. Marge was one of the good ones and we will miss her smile sense of humor and positive attitude in our neighborhood. Rest in Peace my friend.

“ I only got to know Marge at the very end of her incredible life. I remember the look on her face when we told her " we've grown rather fond of you and were gonna keep ya". She was so happy.( and so were we!) :-) I really enjoyed listening to her talk about her likes and dislikes. She had such a sweet disposition and also such strength! I also loved seeing her beaming face when her grand kids came to visit :-) It was honor and a privilege to spend time with Marge, and to make sure her journey was as peaceful and beautiful as possible. Your family is amazing, and I will keep you in my thoughts and prayers.
