

## Marian Jane Scheer

September 6, 1938 - December 7, 2020

Dr. Marian J. Scheer, 82, of Windsor, Colorado and Murrieta, California passed away at home on December 7, 2020 from Covid-19. Her husband of 31 years, Dr. Stan Scheer followed her in death 6 days later, also from Covid-19.

Marian was born in Torrington, Wyoming on September 6, 1938 to Ruth Green and Edwin Ries. Her family moved to Cheyenne, Wyoming when she was a child. She attended Cheyenne High School and graduated in 1957.

She began teaching in Cheyenne and, after several years, moved to the administrative side of education. Her career path in education was modeled by her own quest for learning. She earned her Ed.D from the University of Wyoming. Her dissertation subject was about teacher evaluation tools. She developed a positive-focused instrument that was used as a model for many years. She continued as an administrator in St. Louis, Missouri. Marian worked with her school and teachers to have multi-aged classrooms through all grades to accommodate children with a wide range of challenges and abilities.

She joined the Naval Reserves as a Seabee in 1976. She was awarded Seabee of the Year for the Cheyenne Unit in 1982. She retired with the rank of Personnel man First Class on September 6, 1998.

Marian is survived by her brother, Larry Ries, and her five children; Cindy Allison McVay, Jim Allison, Stacey Scheer Laurent, Darin Scheer, and Cory Scheer along with 13 grandchildren and a great-grand child.

“ I remember Marian as a fun loving, outgoing, loving life personality. Perfect for working with children. She was an awesome principal and mentor for many myself included. She loved being a Seabee and looked forward to flying out on weekends to train. Her love of travel was contagious. My thoughts and prayers to her family. She is definitely missed.

“ Marian and I shared many a laugh. She was so easy to work with and she was always that "open door" principal. My sympathies to her family. I will cherish our times at Eastridge forever.
