“ Leonard, I worked with your mom at the Black Hawk County Court house from 1972 until she retired. She talked so much about you and how proud she was of you... you could not have asked for a better Mom. I enjoyed working with her... she was fun to be around, always giving her best in everything she did... and the stories we shared... oh did we laugh!

I have thought about her for many years and wondered how her retirement was going. I am so happy you had her obituary in the Courier. I knew she would live a long time... she was just a delight to be around and such a joyful spirit. I know she is up in heaven talking to God and telling all the wonderful stories of her son and lovely family.

May God give you peace and comfort. May God bless you all, Rita (Schmitz) Schmidt... now the Treasurer of Black Hawk County.
