“ Please accept my condolences on your lost. I met Mary and her husband about more than 10 years ago doing her hair. She was always kind and sweet, always looked pretty . We got to shared a lot about our families. She will be really missed.

“ Please accept my sympathies in your family's loss of Mary - I met Mary in 1974, when I had to have a couple EEG's at PVH - she was so kind and gentle with me. I was pleased to find she was a member of St. John's, as I am - although we didn't have a whole lot of contact with each other; she was always friendly to me. I will miss her.
