

## Milo Dean Bohlender

March 20, 1934 - November 13, 2018

Milo D. Bohlender, 84, of Fort Collins, passed away November 13, 2018 at Poudre Valley Hospital.

Milo was born March 20, 1934 on the family dairy farm in LaSalle, CO to Jacob Bohlender and Martha Gaede Bohlender. He graduated from Campion Academy High School, Campion, CO in 1952 and from Northwest Institute of Medical Technology, Minneapolis, MN in 1953 with a degree in x-ray technology.

In the fall of 1953, while on a hunting trip, Milo was shot through the legs by another deer hunter. He spent the next few years undergoing corrective surgery, recuperating, and helping his father and brother on the farm. He also managed his own dairy herd and raised Shetland ponies.

He married Gwendolyn Walker of Greeley, CO in 1954. Following two years in the Army, Milo and Gwen moved to Newbury Park, CA when Milo accepted a job as the assistant manager of the Newbury Park Academy Dairy and Milk Processing Plant.

Milo and Gwen returned to Colorado in 1959 so that Milo could attend Colorado State University. He found a job at Warren Funeral Chapel which served as his inspiration to join the funeral industry. He took a one year leave of absence from CSU to attend the San Francisco College of Mortuary Science. He graduated third in this class in 1964 and returned to Fort Collins to assume the role of Vice President of Warren Funeral Chapel (which would become Bohlender Funeral Chapel in 1982), beginning a career that would span more than 60 years.

During his career, Milo served as Secretary/Treasurer for the Northern Colorado Funeral Directors Association, President of the Colorado Funeral Directors Association and was a Deputy Coroner for Larimer County. He was also a member of many local service clubs including: Fort Collins Kiwanis Club, Jaycees, Sertoma, Elks Lodge, Moose Lodge, and the American Legion George Beach Post #4.

Milo loved to sing. He recorded a religious album with his daughter, Vaundeen Bachus, and sister, Iris Hughes. He sang for many years in the Larimer County Barbershop Chorale and was the lead singer of the comedy barbershop quartet the Feed Lot 4. He enjoyed traveling with the quartet throughout the Midwest and on a USO Tour to Asia.

To say he was an avid sports fan is an understatement. He was in San Diego for the Bronco's first Superbowl victory, at the Pepsi Center for the Avalanche's game seven Stanley Cup victory, attended the Rockies very first opening day, and is arguably one of Colorado State University's biggest fans. He spent many years cheering for the Rams football team and had season tickets to men's basketball before Moby Gym opened.

Survivors include his wife, Gwen; daughter, Vaundeen and her husband Dr. Kevin Bachus of Fort Collins; son, Gary and his wife Kristin of Fort Collins; sister, Iris Hughes of Greeley; and two grandchildren, Scout and Stella Bohlender.

Preceding Milo in death are his parents and two brothers, Leon and Dale Bohlender.

A funeral service will be held at 10:30 a.m., Monday, November 19, 2018 at Faith Church, 3920 S. Shields St. Entombment will follow at Grandview Cemetery. Viewing will be from 9:30-10:30 a.m. Monday at Faith Church, prior to the service.

In lieu of flowers, memorial contributions can be made to the Upper Poudre Canyon Volunteer Fire Department, in care of Bohlender Funeral Chapel, 121 W. Olive St., Ft. Collins, CO 80524.

“ Sending our deepest condolences. Milo was a great person and will be missed. He was always willing to help our family and was able to help us through some very difficult unexpected deaths. My favorite memory of Milo is him calling my husband 'Peaches' a nickname he had given my husband as a toddler. Gwen we are praying for strength and comfort.

“ To Milo's family,

Allan and I send our condolences to you at this difficult time. I met Milo for the first time when he came to City Council to discuss the disturbances caused by youthful cruisers in downtown Fort Collins. He helped motivate new approaches and investment in downtown Fort Collins. I credit him with being one of the pillars of our revitalization over the past thirty years. The Bohlander Funeral Chapel is a downtown anchor. Your family deserves a lot of credit.

When my father died in 2009, Milo and Gary were so kind to my family. I am deeply grateful.

In peace,

“ Gary

I first became acquainted with Milo in his Memorial Day activities at Grandview Cemetery years ago. His sincerity, his professionalism and his forthright manner convinced me that this is the man I will deal with as the need arises. Bohlander FC then performed my mother's services in 1994 and my daughter's just last November. Gary, you, your wife and staff continue to be a credit to Milos memory.

“ Milo was an awesome Man! He came to our home twice when I lost my Dad and just 7 months later my husband. He was always kind and just made a person feel at ease that he had everything under control. Please know others care. Gwen you were awesome to help me also! HUGS to you! After your 64 years of marriage you will feel the void until you meet again! I have learned one thing about death; it does not get easier; you just get used to the fact they are gone! “ My sincerest sympathy to a good friend and a better funeral service colleague. Milo was a great example of what funeral service is about - compassionate, caring, service above self, - doing whatever it took to have the funeral / memorial service be a positive memory for surviving family members.

I'll never forget our times together serving on the CFDA board of directors and attending meetings and conferences together, especially the rides in Milo's motor home!!!

Milo will be missed greatly!

I am sorry to learn of Milo's passing. Milo was a good old fashioned funeral director and a fine competitor that made me a better funeral director personally. He was a good example for young funeral directors to learn from. I have fond memories of him over the years in many settings in Fort Collins! May he now rest in peace.

“ Gwen, Gary, and family,

I was so shocked and sad to read of Milo's passing. His Obituary was amazing but missed another important way he gave of his time. He volunteered 30 yrs. to high school students every semester in my Sociology of the Family classes. I will never forget the first time he came and was introduced by Harold Warren to me as the new "younger guy" the students would relate to better in the late 70's. Then in the mid 90's he was introducing Gary to me as the "younger guy", his son, who students would relate to better. Gary shared with Milo many of the classroom visits until about 2005. Those years Gwen might call me and say Gary has a funeral but Milo will be there, or Milo needs to go to the hospital for a family so Gary will be there. Time volunteered sharing in my classrooms sometimes 5 classes in one semester, greeting those classes another day to tour the funeral home, and also meeting personally with any students who needed personal council or help over a death. A trusting and close friendship over those many years made this hard to lose a family friend. Milo and Gary took care of many family members of mine also. He will be missed so much. And all his memories are a true blessing to our family.

My prayers and heartfelt sympathy to all the Bohlender family.
