“ I’m am so sorry Nancy is gone. I have nothing but love and respect for this awesome woman. I will be eternally grateful for her giving Taneshia a strong, loving start to life. Nancy gave 200% to those she loved. I remember talking til the wee hours of the morning with our cigarettes and instant coffee, talking about everything and nothing. She was tough as nails but tenderhearted and full of love and lots of fun!! I just wish we wouldn’t have lost touch with each other, she’ll never know the debt of gratitude I have for her and how much I loved her.

“ From as far back as I can remember, whenever we went to a family doings, Nan and I would have fun together. Because we were double cousins we would see each other at both sides of the family get togethers. We could talk, talk and talk and time would fly by. That is a wonderful picture of her and sure do wish we hadn’t lost touch over the last quite a few years. Sending hugs,hugs and more hugs to all of the children, grandchildren and great grandchildren. Love you and always will remember my double cousin Nancy

“ to Nancy's children, grandchildren and great grandchildren.
I am sorry to hear of Nancy's passing.
My father and Nancy's father were first cousins, so growing up we spent a lot of time together while our parents played cards.
The last time i saw Nancy was at Walgreens in Eau Claire.
My memories of her are her smile and mischievous laugh. kathy peterson
