“ Thanks to Oscar and Laura Weible my parents found their perfect retirement property and became their neighbors and friends for the next four decades. And throughout the years we watched each others kids and grandkids grow up. Col. Weible was a good steward of his neighborhood and community with active participation to protect and preserve the country life we value here. We missed them after they moved to be closer to their girls.  
Rest In Peace Sir and thank you for your service to our country.

“ One of my fathers oldest friends. I'm heartbroken to see this news. Col. Weible was a great friend of my fathers and ALWAYS loved playing golf with him (as did I). Dad and Col. Weible were both stationed in the Army, I believe at ENT AFB, in Colorado Springs. Mrs Weible was a wonderful friend of my mothers. Patti and Pam know how much I loved watching them grow up. I remember 10 1/2 years ago when my father passed away, I was so thrilled to see Col. Weible attend the service. He looked great and I was so thankful to spend a few minutes with him at the gravesite.

Mrs Weible, Pam, Patti and the remainder of the family, I cannot express the amount of grief and sorrow I am feeling. Col Weible was a great man and a good friend of our family and I want to express my sincerest condolences.

“ July 4th of 2009 in Billings Montana we gathered as members of the Weible family over 3 days. People attended from Colorado, Idaho, Montana. Many we had not seen for a number of years. As part of the planned activities was a golf tournament. My uncle Oscar had a passion for golf and he was a very good golfer, always down the center of the fairway. As one in Oscar's foursome, Greg hit a shot into the brush. He found his ball and upon joining the foursome again he razzed Oscar. Greg found a 6 pack of beer in the rough. We all laughed as this would be the only advantage of such an erratic golf shot. And an occurrence Oscar never would experience as straight a golfer that he was!

I always enjoyed listening to his wealth of experiences. As a child we would sit around our grandparent's dinner table when they came to Montana at harvest. I was so fascinated to hear his view of current events of the time.

He and my father were very alike and great friends beyond brotherhood. My father passed in 2008; Oscar's mannerisms reminded me of my father very closely.

May Oscar Rest In Peace. Truly an American Hero.
