“ LOVED this woman. She was a bright spot in my day whenever she visited me at the office of Our Redeemer. Every holiday, she would come in with some kind of goodie and most of the time - a song - on a recorder, or playing the harmonica and bringing a joke or handmade cards. Very artistic and Such a sense of humor....gonna miss her special light...

“ Funny, delightful with a wicked sense of humor! How she will be missed by all! Met her when we were members at OUR REDEEMER LUTHERAN CHURCH. Each Sunday she would greet all who came with a big smile and a hug.

“ My sincerest condolences on the passing of our Our Redeemer friend. Wry, wicked sense of humor, I always loved that about her. I have many fond memories especially of our road trip to Iowa for Drew and Megan's wedding and the fun we had with Downton Abbey. I am sure it's been a sweet reunion with Bill!

“ I had the joy of being Pat's pastor at Our Redeemer. She regularly "made our day" with a surprise visit- usually with a donut. We loved Pat and give thanks for her life. Well done good and faithful servant- enter into the rest of your Risen Lord! Peace, Pastor Drew Goodson
