THOMAS KEN HOLDEN

08/30/1946 – 11/05/2019

Thomas Ken Holden was born on August 30, 1946 to Oliver Paul and Dorothy Ann Holden in Sheboygan, Wisconsin.

Tom was known to his family as Tommy. His friends knew him as Tom or “Tomikins”.

Tom was the oldest of six children. Tom graduated high school in 1964. During Tom’s senior year, he began boot camp for the US Navy. Tom enlisted in the US Navy in 1965. He served two years and was honorably discharged as a Third Class Petty Officer (Corpsman). He then served one year in the Navy Reserves. After some time, Tom moved to Colorado in 1972. His love for Colorado began with his own father. His father wanted to move to Colorado with his family but plans changed. Tom loved the Rocky Mountains and the drive through the Big Thompson.

Tom always had a strong love for old cars since he was young. He enjoyed working on them, restoring them, researching information about them and definitely driving them! Tom was one of the original members of the Loveland chapter of the VMCCA. Few members have his record of attendance at meetings and he participated in almost all club events.

Tom also enjoyed his four children Sean, Tami, Larry and Teri. Tom was involved in Cub Scouts and Boy Scouts with his sons. He also enjoyed his two daughters, Tami and Teri. He was proud to teach his children about cars and how to care for them. He also enjoyed watching his children participate in school functions such as band, choir, sports and drama club. Tom was blessed with eleven grandchildren and four great-grandchildren.

He always had a love for big dogs and cats. For many years, Levi, his cat kept him company. When Levi passed, Tom was gifted a new cat. He named this cat Lombardi. In the four years he had Lombardi, he became his new best friend.

Anyone who knew Tom knew he was a diehard Green Bay Packer fan and share holder. If you wanted to visit with Tom, you knew not to call or come by during the game!

Tom was preceded in death by his paternal and maternal grandparents, his father Oliver P. Holden, mother Dorothy A. Holden. He is survived by his four children, Sean (Lila) Holden of Colorado Springs, CO, Larry Holden of Washington D.C., Tami Holden of Laytonville, CA and Teri (Travis) Neugebauer of Holly, CO. “ Dear Family

Bob Herber mover to Greeley Colorado in early spring of 1972 I arrived mouth of May and Tom showed up the 3rd week of May. That summer was a lot of fun with camping and fishing and shooting pool.

I had lunch with Tom in September and he show me the old car he was working on. Also some other projects he needed to finish.

We both agreed we needed to do lunch again so we could keep in touch. But sometimes life gets in the way of well made plans.

Tom will be missed and remembered well.

“ Dear Family,

My parents were in car club with Tom since the 1980's and enjoyed those many years of friendship more than words can convey. Tom was very generous to help us with the old cars and he loved what he did, always with a good story and a laugh. Though Mom and I haven't been able to attend in recent years, the precious memories are very dear. Tom will be missed and remembered well.

“ We joined the Veteran Car club in the 80's. Our family duties took over and sadly, stopped attending in the 90's. Tom knew my dad and made us feel right at home there. He always had a smile. He will be missed.
