“ My sweet baby brother, Tim I love you and I will share the memories of our childhood with Olivia. I remember your funny names for different things, you called cookies”tee tees”, pickles “poochoes” and drink “grnt”
Your love was boundless!!
You didn't like it when anyone cried and did whatever necessary to make someone feel better.
You will forever be in my heart and always on my mind.
I love you

“ Ryan just sent me this link. I am so terribly saddened. Our sincerest condolences to you all. Although there are years from when we've seen and talked with each other we do think of you all and the great times we had. May God give you an abundance of grace and peace as you go forward. I am so truly sorry
