

## Tracie Lee Kreider

May 30, 1962 - February 9, 2018

Tracie Lee Kreider, resident of Fort Collins, CO, was born on May 30, 1962. She passed away after a long battle with Lupus on February 9, 2018 at age 55, surrounded by her loved ones. She leaves behind her loving and devoted husband of 19 years, Daniel Kreider; her two daughters, Lisa Tobin (Steven Sharkey) and Jennifer Tobin (James Gurley); and her three grandchildren, Tyler Bliss, Ella Gurley and Gabriel Gurley. Tracie is also survived by her loving brother and sister-in-law, Craig Cuthrell and Joanne Cuthrell of South Florida, and her nieces Brianna Cuthrell and Rachel Cuthrell.

Tracie grew up in the sunshine and along the beaches of South Florida, spending her days swimming and boating with her father and brother. As an adult, Tracie fell in love with the mountains of Colorado and moved west in 1996. She enjoyed hiking, biking, and seeking adventure with her husband Dan and spending time with her friends and grandchildren. Tracie was a devoted Certified Nurse Midwife whose lifelong passion was realized by helping women bring new lives into this world. Her carefree and bright spirit brought comfort and joy to everyone she encountered. She will be dearly missed.

Please join us in a celebration of Tracie's life on Tuesday, February 20, 2018, from 4-6:00 pm at the Agave Room above the Rio: 149 W Mountain Ave, Fort Collins, CO 80524 (<http://agaveroomatrio.com/>). In lieu of flowers, her family is requesting that you donate to the Lupus Foundation in her name and in honor of all those suffering from this painful autoimmune disease: <https://www.lupus.org/>

“ It was a pleasure to work with Tracie at PVH. She was a very conscientious provider of care for her patients. She was such a down-to-earth, calm, honest woman. I am sorry to hear she was suffering so much! May God Bless her!

“ Tracie was a blessing to my family. She offered holistic health insight over the years that had tremendous impact for me and my daughter. Tracie guided the dramatic (and quick!) natural birth of my son Ian in 2008. The Fort Collins community has lost a treasure. My condolences to your family.

“ Tracie was a true soul sister. We clicked immediately when we met. Then after she moved to Colorado I came to see her and we picked up where we left off. She would pop into my thoughts at random times. We held each other up and laughed about our bald heads after my bout with leukemia. What a true , kind, beautiful woman!! I will miss her, but hey she will still be in my heart. She loved her daughters, grandchildren so much. So relieved for her that she can exist somewhere in peace and joy waiting for the rest of us !!

“ Tracie was my guardian angel. I had the privilege of knowing her through our time at Womancare and even after. She delivered my son Casen and so honored that it was her. I miss you so very much, and I love you so. Your smile could brighten the darkest of days and your laugh was so contagious. I am a better person because of her. Thank you for all your love.  
Thank you Dan, Jen and family for allowing me to say goodbye to my Tracie.

Love you all  
Katie

“ It's been awhile since Tracie and I worked together at Martin Memorial but what I do remember is that she was always happy and full of life! She would light up the room and was a pleasure to work with. So sad to hear that her was shortened by a terrible disease. I know her family will keep her memory alive!

Sincerely, Barbara Berthiaume
