“ I am so devastated to hear the news that Frank has passed away. I remember meeting the Navas family back in 1993. April and I became good freinds at the age of 10. Not having a father figure around Frank was someone I looked up to. He was always supportive and active in the lives of his wife and children. I will always remember the trips to Hemet, learning how to hike and the many weekends spent with the Navas'. I will never forget how kind he was to me and my family. I even remember and cherish the ridiculous nicknames he gave April and I; Buckwhina and Wheatina. : The memories that I have of Frank will remain in my heart forever. I just wish that I could have said goodbye and Frank could have known the imprints he left on my life and my heart. May God be with Frank and all of his family and friends during this impending time of need.

“ Jean and Family, I was so sorry to hear about Frank. You don't need me to tell you what a wonderful person he was. I will always remember him and what a great coach he was. My son Sean had his best year with Frank. My love to all of you. Barbara

“ We are so sorry to hear about Frank. We met him when our son Trevor played for him on the Braves football team. He was a wonderful coach. We will always remember our trip with the football team to Laughlin, Nev some years ago. Trevor bought a braves ring for himself and one for his coach Frank. The ring still sits on Trevor's desk. It will always be a great memory of a special year of football with a beloved coach.

“ Jean: I was so very sorry to hear about your loss. Even though I only met Frank the one time when we had the craft show at your home, I could tell what a wonderful and loving person he was. I am sorry to have missed the memorial service, but found out the time too late. Please accept the sincere condolences of both my husband, Jack, and myself. You and your family are in our prayers. Love, Dee

“ Our deepest sympathy to your family you are all in our prayers. I'm gonna miss working with Frank and seeing him at work he was not only a co-worker but he was a dear friend who cared about everybody and would do anything to put a smile on your face. He also had a special way of his own of encouraging you not to let life drag you down and that God was always there to guide you and never lose faith. To Frank, We appreciate and Thank you for all your hard work and all the encouragment to make it through things and furthermore Thank you for being such a good friend We will miss you very much. Things will never be the same with out you. In the Words of Frank "Have a Blessed Day" and GO RAIDERS!!!!

“ Dear Jean, I am very sorry for your loss. I can't tell you I know how it feels because, I thank God everyday, I still have my husband. I did not know Frank or you very well but I wish I did. If there's anything I can do for you, please let me know. May you live in God's light and take comfort in it. I hope the very best for you Jean and I hope you will stay in touch. Ann 970-689-3297
