“ Our condolence's to the Gonzales family. Gordo was family to us, Tony and Gordo were friends, I remember him always coming to our house. They both joined the Navy together, we still have a picture them in their Navy attire. He always made us laugh, he had a great sense of humor, and a great laugh. We were so sad to hear of his passing. RIP Gordo, you will always be remembered with kind and loving memories.

“ Thank you uncle Gordo for always calling and checking up on my husband and my kids. Thank you for checking in on me as often as you did. Thank you for encouraging me and for always giving me such great compliments about my cooking, how I am raising my kids and everything I do. Like I told you before, you were so good for my ego! I am glad I had the chance to tell you in person that I appreciate you! I will miss you with all my heart. Please tell everyone "Hello", and give them a hug & kiss for me! Thank you and God Bless you! Love you always! Crystal, Seane and the kids

“ Gordo has been a life long friend of mine. Met in Ft Collins back in the 70's and later found out our families were connected from the 30's. Rest in peace my friend. Your journey here is complete now on to bigger and better things. Take care of us from your new home. God bless my friend.
