“ Ginny so sorry to hear about Willie. My first memory of Willie was seeing him cruise his beautiful charger downtown Loveland when I was in Junior High. Then meeting you both when I first started working at the bank. Congratulations on your 50 years together.

“ I am so sorry for your loss.

Willie and his family were next door neighbors on east 10th street in Loveland for many years. When he was in high school, he set records for his pole vaulting. He set up a track and bar in our back lot to practice his skills. We spent many hours together as I admired and looked up to him for his athletic abilities. So sad to hear that his sister, Rosy is also gone. Prayers for your family.
