

Alan David King

October 29, 1966 - June 18, 2022

Alan David King passed unexpectedly on June 18, 2022. A long-time resident of the Red Feather Lakes area, Alan will be sadly missed. He was born in Los Angeles, California on October 29, 1966 to Jerry King (still living) and Sue Anderson. He met his wife, Janice Weixelman, in December 2011 while working at the service counter of Houska's Garage. Janice walked into the shop at the end of the workday to pick up her truck, and they talked for 2 hours after the shop closed. On that New Year's Eve they met at Beaver Meadows Resort Ranch to continue their conversation. Alan asked for permission to marry Janice from her children Tansy Wawerski (Husband Jeff Eichman) and Tye Wawerski (wife Meagan Cain) before proposing to Janice. They were married on April 1, 2013. Alan was warmly welcomed into a large family and loved being a part of it. He delighted in attending the weddings of Tansy & Jeff, and of Tye and Megz – who all were present when he and Janice exchanged vows. He was proud to call them his children and he was over the moon crazy about the birth of Tansy's daughter, Ember Marie Eichman, on June 16, 2022 and proudly showed pictures to all of his granddaughter. His family also includes his brother Robert (wife Ann), as well as Gary Weixelman, Linda Weixelman, Mike Weixelman, Chris Weixelman (wife Azar), Joseph Weixelman (wife Chris Tee), and many nieces, nephews, cousins, aunts and uncles – as well as his fellow firefighters of The Red Feather Lakes and Crystal Lakes Volunteer Fire Departments.

Alan became a realtor and worked with his brother and partner, Gary Weixelman, as well as working for Linda Weixelman at "The Beav". To give back to the community that he cared about, he joined the Red Feather Lakes Volunteer Fire Department in 2020. The huge hurt his family, friends and community feel is in proportion to the huge impact that Alan made within his sphere of kindness and love. Alan was kind to all and was known for showing up with his tractor, cleaning someone's home, buying lunch or dinner for friends and lending an ear.

There will be a celebration of Alan's life on Monday, June 27, 2022 in the Pavilion of Beaver Meadows Resort Ranch at 2:00 pm. Everyone is invited to share their memories and stories with the family in a circle of support to begin the nearly unendurable task of healing. Alan loved his boots, jeans and cowboy hat, so please feel free to dress for the mountain air. For those who wish to celebrate Alan's passion for giving, donations may be sent to the Red Feather Lakes Volunteer Fire Department, 44 Firehouse Lane, Red Feather Lakes, Colorado, 80545.

Condolences can be sent to the family at 152 North Rim Road, Livermore, CO 80536

“ Rachel was working at the Beaver Meadows Restaurant and was facing some life challenges. She had an opportunity to raft the Colorado River and struggled with the decision to go or to continue to work. Alan spent some time with her encouraging her to follow her dreams. Rachel was unsure if she could afford to do so and Alan offered to cover her expenses. Rachel was able to raise the money on her own and take this opportunity. At the memorial she told me "He made me a better person" because of this.

“ Dear Aunt Janice,

I cannot imagine how difficult this past week has been. I wanted to share my deepest sympathies for the loss you have experienced. It is unimaginable. Although I do not have any stories of Alan precisely, I wanted to share that he was, in my experience, perhaps the most loving member of our family, the most welcoming and friendly, and one of the most sincere. It was easy to spend time with him and always a great experience. You are both in my thoughts. I hope that today honors his life in as it should.

*With love,
Yassy*

“ I have so many fond memories of Alan. He was always so reliable and helpful. Always ready to step in and lend a hand. Most recently I needed a ride from the airport to Fort Collins, and in a heartbeat he offered to pick me up. This may not sound like much, but this was five hours of his day to come down from Glacier View, pick me up, take me to my hotel, and return home. But he never gave it another thought.

My fondest memory was learning how to shoot with Alan. I had never fired a gun (.45) before. He carefully explained to me how, what to expect, and coached me through it. I had a blast with him, Nasim, Saba, Yassy and Nader. He made everything fun and relaxing, all while we are blasting up hub caps! I will never forget his gentle touch. That was his nature.

I will always remember his love and kindness.

“ Janice, I didn't know Alan but you and I met years ago just before Miramont closed in Wellington. We have mutual friends and my husband and I were having dinner with them at the Pot Belly a couple weeks ago, and you and Alan came over to talk to those mutual friends and their son. I realized who you were, then I looked at Alan. I still remember the look of love in his eyes. It was so precious and strong and stuck with me. You were both so happy. I strongly believe that when we lose someone, they leave their love behind with us. May you find strength and comfort in that love, and may God's grace and comfort be with you. Susan Rice

“ To Alan,
I remember you welcoming me into your home the summer I stayed. From the first day, organizing the garage into a comfortable and functional space, yet still allowing an open door into his and Janice’s own home. I got the chance to read his books, listen to his music on —disc and vinyl—shoot on the property, drive to the city and the lake together, and have genuine, thought provoking conversations. I am thankful for each moment I had with Alan. He will forever be in my heart and mind as a truly admirable man with many inspiring characteristics.
Love,
