

## Albert Parker Scott, Jr.

August 19, 1944 - November 4, 2014

Albert Parker Scott, Jr. passed away on November 4, 2014 at his beautiful Northern Colorado ranch with loved ones by his side. Al was born on August 19, 1944 in Los Angeles, California and is survived by his loving wife, Lesli; seven children, Parker, Jennifer, Allison, Matthew, Jordan, Ethan, and Jessica; and five grandchildren, Charlie, Brody, Andrew, Alina, and Ainsley. A man of many hats, Al was an investor, developer, author, collector, carpenter, firefighter, peace officer, and veteran of the United States Army. Al was a world traveler and outdoorsman who enjoyed playing polo, surfing, hunting, and fishing. A vociferous reader, Al's thirst for knowledge was rivaled only by his love of and talent for storytelling. Simply put, Al was a renaissance man. Yet his greatest joy remained his simplest, his family. To learn of and suggest ways to help Al's youngest children Ethan and Jessica, please email [APScottChildrenMemorial@gmail.com](mailto:APScottChildrenMemorial@gmail.com). Interment with Military Honors, 9:00 a.m., Friday, Fort Logan National Cemetery, Staging Area "A", Denver. Celebration of Life, Saturday, 3:00 p.m., Home of Al and Lesli Scott.

“ *Dear Lesli and family, Please accept our deepest condolences with Al's passing. I spoke with Al only a few days ago and we were thinking back that we first met almost 59 years ago. It hardly seems possible. Time goes by so fast. I shall always miss his dry humor, love of adventure and sharp analytical skills. The last time he visited us down here in FLORIDA we went flying. I knew he wasn't feeling well. But when we took off and climbed into the morning sunrise, we passed over the beach and out over the Atlantic Ocean climbing out at 170 miles an hour. I hit the intercom button and told Al to take the controls. He did and after we passed 5000' I told him to turn back to the west toward Lake Okeechobee and give me a barrel roll. After the roll, I put my camera in front of him and snapped a picture of The biggest grin. I miss him as will many. Rest in peace old friend.*

“ *Leslie and family, Al was a wonderful and unique man. We are going to miss him so much! He was more than a friend, he was part of our family. We will forever remember his stories and escapades on his tractor. No one can say that Al was not passionate about his convictions! We are sad but also glad that he is no longer in misery. Love and prayers.*
