

## Albert Troudt

September 27, 1921 - September 6, 2013

Albert Troudt passed away on September 6, at the age of 91 following a short illness. Albert was a native of Fort Collins having grown up on farms in the area. He retired from Ghent Motor Company after nearly 40 years of service. He enjoyed many life-long friends from his time at Ghent's and many were still his regular breakfast and coffee buddies. He was a WWII veteran and was active in the Elks and Moose Clubs and the American Legion. Albert loved taking care of his home and his yard and was always ready with a friendly wave or a helping hand for his neighbors. Everyone got to know his quick wit and fun-loving nature. Racing was in his blood and he was honored as the top mechanic for the #77 car driven by his friend, John Rostek. Albert was a wonderful father and grandfather and caring friend to: Gary Vikki Troudt of Tallahassee, FL; Kathie Robin Riley, Katelyn Riley and Justin Riley of Loveland; and Evelyn Cooper of Fort Collins. He was preceded in death by his wife, Florence Greenwalt Troudt; parents, Alex and Katherine Troudt; brothers, Lee and Howard Troudt, and sister Esther Buderus. A memorial service will be held at Bohlander Funeral Chapel at 11:00 am on Wednesday, September 11. In lieu of flowers, the family asks that you make a donation to Associated Veterans of Loveland, attention Ed Aitken, 305 Cleveland Avenue, Loveland, 80537.

“ I was Mr. Troudt's newspaper carrier for the last 5 years, he was always waiting outside for his paper and to wave as i went by. He was such a nice man i would break my route just to get him his paper early. I miss seeing him and think of him every day as i drive by. My thoughts and prayers go out to the family.

“ I started working with Albert when I was just out of high school. He sold me Gary's 1961 Ford shortly after. He was kinda shy with a little boy grin when it came to pulling pranks. Albert and Florence were very special people and were very friendly and made me feel welcome in the community of the dealership. My thoughts and prayers go out to Gary, Kathie and family. I will miss seeing his smile and seeing him at the Breakfast Club on occasion. Love to all of the Family.

“ It's been such a long time since since I last saw Uncle Albert and Aunt Florence, but there will always be a place in my thoughts for my god parents. I'm sure Uncle Albert will be missed by all those he touched. My sympathy to Gary and Kathy, and their families.

“ I have many memories, of Albert, being trained under him, at Ghent Motor company. He got me into a lot of trouble, staying Friday nights, and sharing a beer. He did well, for I am still a Ford tech, looking forward to my retirement. My prayers, to you, Gary and Kathy.

“ I am heart-broken to hear of Al's passing....I will never forget that he was at the Thunderbird before opening every morning. He said it was to help separate coffee filters, which he did, but I believe he was there as "security" for the girls coming in to work....miss you, Al!!
