“ i went to high school with alec. although i graduated in 2019, he and i stayed in contact. we used to hang out at night a bunch especially the weekends. i remember so many memories and will cherish his friendship forever. i miss him dearly. im at a loss for words. he meant so much to so many people. life is short. definitely tell the people who you love, that they’re loved. i miss you and i love you alec. this broke my heart. may your memory live on. -

love always,

“ Alec will be missed. His mom asked our daughter to babysit him. He has always had a special place in our family. If he see me even if he was with his friends he come give me the biggest hug. Here a hug for you. You will be missed by many

“ Alec was in my Ag Science class at Rocky.... He was one of the hardest students to teach but by far the easiest to LOVE- 2 favorite memories is when he agreed to be Santa for a photo booth to raise \$ for adopt a family ... the second was when we went to a working farm and all of a sudden I hear squealing & I turn around to find Alec riding a pig like a bull rider! He stayed on that sow for nearly a full minute. My heart just breaks! 💔. Mrs Bart loves you - my lil' red headed cowboy.

“ I fondly remember spending after school hours with your son, helping him to complete his daily homework. He was a cooperative student, when I worked with him one on one. I was so sad to hear I'd his passing, and I didn't hear until the day after his services. I would have been there. Sending hugs for you and your family as you make sense of his untimely death. Sending love from the principal at Coyote Ridge, Diane Spearnak! 💜💜💜

“ *Although my husband and I never got to meet Alec personally, we felt we knew him. All we had to do was ask Emil about his son. He would get a big smile on his face and tell us all about him. Emil was so proud of him. He was the light of his life. We are sure you must all be heart-broken now. May God give you strength at this most difficult time. Know Alec is in heaven smiling down at all of you. He is at peace in heaven. Love you all.*
