“ Alice was one of my very good friends. Alice loved to go to the Olive Garden. She always ordered their cherry coke. I believe they made it just for her. We loved to shop together after the Olive Garden. Our families were tops in our discussions. She loved her family as I love mine. We laughed a lot. She always had a smile on her face. She received a old Bible when a family member passed away. This Bible was precious to her. She knew her Jesus and she greatly loved him. I wasn't able to go and see her when she got so sick. I needed to keep her loving face and loving smile in my memory. I want to remember as she was forever. I know I am a better person since my friendship with Alice. Her kindness had a way of spreading. I will miss Alice but, I know she is in a peaceful place now.
Thanks for the great friendship!

My love, Karolyn K.

“ I have so many wonderful memories of Momma Edgar! She was my Momma #2 for much of my youth. Kathy and I literally lived at each others homes. When I walked in the front door, I was always greeted by Alice and her country music on the stereo. She taught me about "macaroni roni's and butter", her special BBQ chicken (we still prepare this often, and I think of Alice and her family every time we enjoy this meal.)

One of my most favorite summertime memories is the time I went with Kathy and Alice to Wanda's house in Greeley to help package all that corn for the freezer!! The prize, was to go horse back riding afterwards!! I hate shucking corn to this day ;)

Alice decided shortly after Kathy and I became friends, that she would call me Mae, instead of Lisa. Being one of 6 girls in my own home, I was flattered to have my own "nick name." Alice always had a smile on her face! No matter how much Kathy and I would drive her crazy, staying up to all hours of the night giggling, and playing records, she would first yell and tell us to be quiet, before she would end up laughing right along with us. Alice was always a Classy lady. This was reflected in her home, her family, and the way she cared for others. I will miss you Momma #2. I know you are in Heaven, and I will see you again one day. Love and hugs to Frank, Carrie, Steven, my bestie, Kathy, and all their families. You will remain forever in my heart.
