“ Ms. Rasmussen was the sweetest lady. When I was a kid at Boltz Jr. High I was in a program called the self contained program for troubled kids and Ms. Rasmussen was the teachers aid in there. I remember when I first met her I knew she genuinely cared for us kids right off the bat by the way she was so patient with us when everyone else just wanted to wash their hands away with us because lord knows we were bad kids. But not her she always kept on loving on us and encouraging us. There were many times when I was just fed up with everything and she was that voice of encouragement that would come along and say it's going to be okay just stick it out. I am truly sad to see that she has passed on. She was an amazing person and I will be missed my many. I was blessed to have had her in my life for those few years in Junior High.

“ Amy was one of the most special people I ever met. She trained me at the Fort Collins Police Department and became a true friend. My heart goes out to her sons and husband. She was truly a very special and caring person.

“ A letter to Amy,
Thank you for being a part of the memories of the Thunderbird Café! We worked hard and played hard. You were there for Jody and I when our parents died and when four of our boys were born. You gave my son, Jake, his first scratch and sniff storybook and took great delight in teaching him the best page to scratch and sniff was the skunk (that book never got to come home). Your nickname at the café was LULU. I don't remember how you got that name, but I'm sure it was because you were a LULU, "a one of a kind friend". When we closed the Thunderbird and had our farewell party, you used your amazing voice and sang "Happy Trails". So, we say to you Old Friend..... Happy Trails to you until we meet again. “ Don, Grant, and Neil - your mom was one of the most special women I have ever had the pleasure of knowing. I feel blessed that God allowed me to know her. She made me want to be a better person. We grew more distant over the years; but every time we saw each other it was like we had never been away from each other. May God bring you comfort and peace in the knowledge she is living in heaven in His presence. I know one day I will see her again.
