“ *I loved spending time with uncle Andy and aunt Nancy. He loved me like a daughter and would always give me great advice. When Arnoldo got sent back to Mexico. I was so depressed. They would come and visit with me. And I, them. They help me with my first batch of tamales and uncle would call every 2 weeks. "Where's my tamales?" So I would run to Windsor and take him and aunt Nancy tamales Arnoldo loved uncle. There was this one time on new years eve. We were all dressed to go out and just visited them both of them. We stood there and aunt Nancy told me she felt bad because we didn't celebrate. We explained we came to celebrate a new year with the ones we love 💕. RIP tio we truly will miss 😭*
