“ I learned of your loss of dear Angie from the very nice mention of her in our paper. Please accept my heartfelt sympathy Marci..and for your husband and family as well. She was a remarkable young woman and lived life to God's glory. You were supportive and loving parents and God was her strength, and yours, for all her years. Yes, she is dancing with Jesus now...no spinal bifida, no limitations. Only joy beyond all we can imagine. I am so glad you have this certain assurance and I pray it brings you great comfort in this time of very great loss. Remembering you in prayer.

“ We will miss seeing Angie in the neighborhood, catching up with her life, telling a story or a joke and watching her beautiful smile light up her face. She had spirit, that's for sure; and wanted others to know that she could live an independent life. She did it well.

“ *Marcia and Jim,*
I prayed with you in Mom's in Touch before 1997. I also remember your daughter from BSF, and seeing her at the mall on her scooter. She was always so pleasant and seemed content with her place in life. I know it is a comfort to know where she is and that you will see her again. My sincerest sympathy, Julie Maxwell
