

## Angela Wright

August 24, 1971 - October 5, 2025

Angela Alice (McLane) Wright of Fredericksburg, Virginia and Fort Collins, Colorado, a devoted wife, mother, and daughter whose life was defined by grace and profound generosity, passed away on October 5th at the age of 54.

Angela's unwavering mission was the elevation and joyful service of others. Her home was a sanctuary, and her table was always set, reflecting her passion for cooking and hosting cherished friends and family. A woman of both quick wit and deep empathy, she truly wore her heart on her sleeve, ensuring that every person in her orbit felt profoundly loved and encouraged. Her profound connection to the natural world was evident in her serene hours spent digging in the garden and her lifelong love of horses and all animals. This devotion to life's creatures was rivaled only by the immense love she held for her family.

She is survived by her devoted husband, Robert Wright; her beloved son, Charlie Anderson; her sister, Shari Hanson-McLane; her brother, Christopher Hanson-McLane; her father, Joel McLane; her mother, Mary Gale Torrez; and her grandmothers, Norma McLane and Mary Boyer.

A Celebration of Life will be held on Monday, November 10th, at 12:30 PM at Roselawn Cemetery, in conjunction with Bohlender Funeral Chapel, located at 2718 E Mulberry St, Fort Collins, CO 80524.

“ *It's an awful tragedy that she is gone! I and all of her nearby neighbors here in Fredericksburg enjoyed talking with her. We shared plant and garden knowledge, and she had started so many things. She was always kind and friendly, and I will miss her!* ”

*Angie was my neighbor in Ft. Collin's back in 2013 and we became fast friends over our love of our dogs, animals and each others sense of love and compassion. We were girls girls and enjoyed doing whatever happened to move our souls. We have stayed in touch since here moving east and marrying her best friend ( the way she spoke of Rob was pure LOVE). I know his heart is with her and always will be. Rest in peace my sweet friend, until I see you on the other side. LYMI 🙏❤️*

*Lt Wright,  
Angie has gone ballistic, and has slipped the surly bonds of Earth. You, and we, will see her again.
