“ What wonderful memories your family must have of your beloved mother. We became acquainted with Clyde and Anna when they came into our business to purchase items for Holy Family. We also spent many hours at school functions since Todd and Mike attended school from elementary through high school together. Our thoughts and prayers are with your family at this time. “ Our dear neighbors, friends ... Susan, Carla, Pat, Steve, Clyde, Mike.. What a dearest lady your mother was. Always ready to greet you with a smile and cheery greeting. We know you will miss her. How much fun and wit she and your dad had. Between them--they raised six WONDERFUL children whom we admire greatly. It is humbling and our priviledge to have known both your parents. Their values have carried over to you. Bless you all during this time. We miss your mother-especially driving around our "old" neighborhood!
