“ *This news hurts me on a whole new level... The world has truly lost one of it's greatest members. Tony was my guardian angel in life.. literally. I had no idea that my beloved friend would have such a limited number of days with me here on Earth. These past few years I never got to tell Tony, just how special he always was to me, how much I loved him, and how I really feel I owe my life to this wonderful person....and now it's too late...😭😭😭😭 Andrea, Marci, Chareena (sorry I know I misspelled some) Doan, and the rest of Tony's family...I am SO sorry for your loss, and my heart joins your all's, in remembering this incredibly special person.*

Thank you Kara your so sweet. I remember how close you were to my brother and the times we spent together. I do miss him very much but I know he is with my dad which makes me feel better. I'm probably truly the only one in his family that misses him. We may not of had the same mom's but Tony was still my brother we were very close, I never got to say goodbye that was taken from me. He and I were the closest. Thanks again for mentioning me Kara. Chareana is how you spell my name that is ok if you didn't spell it right.

“ My mother informed me of the news about Tony. She wasn't sure if I knew him but thought the name was very familiar. She was right. Tony and I didn't stay in touch much past the few years we shared growing up, going to school at St. Joes. It was a short time but full of lasting memories. I remember Tony's endless energy and great laugh. He was a favorite at school and was very fast. On field day Tony collected the coveted the prized first place ribbon for the "long run" which was one time around the block.

We spent a lot of time riding our bikes, exploring the neighborhoods and along the Poudre River. We may have even found some fresh fruit along the alley ways in gardens near our homes. Tony was a great buddy who was always up for doing something. He added so much to a fun childhood growing up in Ft Collins.

I'm sorry for the family's loss. I hope you find some comfort in knowing that he was a positive part of my life. RIP my friend. God bless you.

Peace,
John

“ I'm saddened to hear the news. I didn't even get to say goodbye or see you one last time. I met Tony through his sister Chareana Aguirre. I am so glad that I got to know him and become one of his closest friends. The three of us had some really good times and one thing I'll never forget is how he could always make you laugh. I told you everything. You always had my back. I will miss you friend! Until we meet again! Prayers for the family 🙏❤️

“ *I remember playing pool with Tony. He was a good pool player, I remember that. We went to a boltz Junior high together. And the roller skating rink. He was best friends with my ex boyfriend Brad Overman. And we went to Rocky Mountain High school Together. He had a nice smile. I am so sorry to hear about his passing. He is so young. It breaks my heart. He will be greatly missed. Our prayers are with his family and friends and neighbors. My heart goes out to all of you. GOD Bless Love Michelle Randy Jadon Ethan and Joey Rogers*
