“ Brad and I were lucky enough to go to high school with Tonio. He was fun to be around, fun to play football with and just a great guy. We always followed his football career...so happy and proud of him. We lost track of him, but are glad to know he followed his dreams and did what he loved best in the end. We want to send our thoughts and love out to the family. God bless!!

“ Dear Sylvia,Anthony Sr,Lisa,and family... I had the pleasure of cutting Tony's hair for the past 5 or so years and from that blossomed an amazing friendship outside the shop.As you can imagine we chatted a lot when he came in and we got to know each other pretty well.I loved him with all my heart.The thing I loved about him the most was his honesty and how much he loved his family and friends.And of course his smile and his beautiful eyes that couldn't hide a thing.I can't even begin to imagine how you feel because I know my heart is broken.Please accept my deepest sympathy. “ *Tonio, Although we did not get to see or speak to each other much you were often in our thoughts. Pico spoke of you so proudly, not just about your athletic accomplishments but also about what a cool guy you were. I had the pleasure of meeting you on occasions and also learned what a sweet and kind person you were. We've been planning on a trip to see you all and now there is going to be one less cousin to see and we are so very very sad for that. You will be missed greatly. We love you. Give Nani a big hug from us. Uncle Anthony, Auntie Sylvia, Lisa, Christian and boys we love you all so much. You are in our prayers..God Bless You. Love, Lisa, Pico, Ethan & Jonathan Mena*
