“ Dear Dylan, I am so sorry about this. You and Tony were so wonderful together. After leaving Fort Collins, I thought that you guys were one of the few couples that I wished I had gotten to know better. I remember Tony working at the Pizzeria on Laurel St. and how his fellow workers liked him because he made them smile, and without trying to. He was genuine and I won't forget him. Please know that I am thinking of you and, since I am religious, I will pray for you and Tony who loved you so much. Un abbraccio, Mike

“ Our dear Dylan, Uncle Russell and I were sadden to hear about Tony. our love and prayers are with you now and in the days ahead. We are only sorry that we didn't get to know your Tony better. He certainly made us feel welcomed when the whole family was together for your wedding, and when we were there for Rachel's wedding also. He did have a pleasant way about him and a winning smile. I am sorry we couldn't make it out there for his memorial, but I am sure everyone shared in celebrating his life. Take care and know we love you. Aunt JoAnne and Uncle Russ

“ Sweet Dylan your Tony looks and sounds like such a wonderful soul. Sarah has shared his spirit with us this week and you both have been in our hearts during this journey. Just believe. you will always be apart of Tony's adventures and assignment. Like the buttons on your blouse, he will be that close to you sweet child.

“ Tony will truly be missed. We have so many fond memories of him during poker nights and BBQs with friends. At the poker table he was infamous for having two pair so we started calling him 'two pair Tony'. He was such a beautiful, kind and giving person. We will never forget him. He just may be up in the sky with the Big Guy winning poker hands with his never ending two pair. WE LOVE YOU TONY!!!!
