“ I have known Arnold since 1980 as a Glen Haven neighbor and as a friend who was always available to help. A true gentleman who will be sadly missed. *BILL*

“ I remember traveling by train to the home in Crete Nebraska to visit my uncle Arnold and aunt Esther, when I was probably 10 years old or so. And there was a little stream near the cabin in Glen Haven where he took us fishing when we were little. One of my best adult memories was going snagging for salmon with Arnold and my uncle Fuzzy at a lake near Denver about twenty five years ago. I'll miss my visits with Arnold when I come back to visit Colorado.

“ *Frances We were so saddened to hear of Arnold's passing. He was a good friend of my grandfathers, and he was a living history of the Glen Haven area. I so much enjoyed hearing him talk of the way things were around here long ago. He was a wonderful neighbor and friend. Doug Grice Glen Haven*
