June 11, 1995 - September 1, 2010

Austin Lee Padia passed from our hands to God's on September 1, 2010. Austin was born June 11, 1995. He was born without a right ventricle in his heart. He underwent his first transplant August 29, 1995. He was strong from the beginning, never complained, loved school, and football. His favorite team was the Broncos. He loved collecting Bronco memorabilia with his grandpa. He was never without a smile, a true zest for life; he said he was "bulletproof and fearless for life." June 7, 2010, Austin rejected his heart. After several weeks in the hospital and a short time at Ronald McDonald House he was given a second heart transplant August 22, 2010. Due to complications he never recovered. Survived by his parents, Virgil and Michelle Padia; his brothers, Tyler and Eric; and his best friend, Scott; grandpa, Mike Farris who was his best buddy; grandmothers, Pat Farris and Lucy Hernandez; aunts, uncles and countless family. God bless you Austin, We love you. A Rosary and Mass of Christian Burial will be held at 10:00 a.m. on Tuesday at Holy Family Catholic Church. Interment will follow at Roselawn Cemetery. Memorial contributions may be made to the Austin Padia Donation Fund in care of Bohlender Funeral Chapel, 121 W. Olive, Fort Collins, CO 80524.

“ You will always be in our heart, you were a blessing and a special gift from Heaven. You were thoughtful, grateful, loving and soon to get those wings that will let you fly free. You have fun with your grand-dad. You could be twins, hug Grandpa Frederico he was a kick like you, he laughed alot like you and his eyes were the same color blue as yours. We will miss you Austin....Keep in touch and you do know how. We love you...the Zaidi's

“ Austin has forever changed the life of our son, Scott Dalton. Scott and Austin had every class together at Webber Middle School, and sat together every day at lunch. The minute Scott came home from school, until the time he went to bed, he and Austin were sending texts to each other. Scott said that Austin was "the best friend a guy could ever have." We are so thankful for the close friendship between Austin and Scott. We will forever miss Austin, but we praise God that he is in heaven, healthy and whole, and smiling with Jesus! We will continue to pray for you Virgil, Michelle, Tyler, and Eric, as well as for all who loved Austin. Bruce, Marcelle, Kyle, and Scott Dalton
