

Barbara Daugaard King

December 3, 1957 - June 1, 2021

Barbara Daugaard King passed away in the arms of her husband on June 1, 2021 after an eight month battle with brain cancer. Barb was born December 3, 1957 in Ida Grove, Iowa, the fifth of nine children of Wayne and Joann Daugaard.

The family moved to Colorado in 1965, and Barb attended schools across Fort Collins, including Putnam Elementary, where her grandson Ben is a student. Barb graduated from Poudre High School in 1976. Barb's career was primarily defined by her years at Anheuser-Busch. She was #1 in seniority in the Brewing Department at Anheuser-Busch, where she worked for almost 27 years.

Barb was tons of fun and had a lot of interests. She was a great softball player, where she excelled at first base. Barb was a voracious reader and an excellent cook. She loved to sit and think, and sometimes just sit. She will be remembered for how she loved her children - fiercely and unconditionally.

Barb loved to travel! She organized great camping trips every summer. She enjoyed her trips to Mexico and across Europe and loved the year that they lived in Australia. She also had so many memorable trips with her sisters and with her special friends Connie, Therese, Sherry, Gina and Jolynn. Barb was known for her sense of humor and quick wit. She was the life of the party!

Barb is survived by her husband of 33 years Charles Larry King; children Jaime King Sense (Brian), Jeff King (Sarah), Andrea King and Davis King; grandchildren Dominique, Gabe, Ben, Colden and family dog Oscar. She was preceded in death by her father, Wayne Daugaard and is survived by her mother, Joann Daugaard and stepfather (affectionately referred to as "faux pa"), Don Christensen.

Left behind are Barb's eight heart-broken siblings - Mike Daugaard (Margo), Kathleen Bailey, Susan Baglee (David), Trish Zander (David), Mark Daugaard (Maureen), Matt Daugaard (Chris Cone), Karen Seeton, Jan Daugaard (Steve Manshel) and many

nieces/nephews.

There will be a private internment. A celebration of life will be held later this summer.

Donations may be made to Saint Jude Children's Research Hospital.

“ *Dear Larry and family,
We were so surprised and sad to learn of Barb's illness and passing. What a terrible. shock. I got to know Barb through Larry at Bauder. She was the rock of the family. I remember meeting her at a Bauder party. What a great lady. That incredible smile! Barb appeared comfortable in any situation. She was a good listener, confident around others, and had a way with people. She made you feel like she had known you all her life. I also remember how she always supported Larry in all of his endeavors. When Larry would tell us of some of his projects and ideas he was going to do, I would ask him what Barb thought of that. He would always say that Barb supported him She was the supporter, the nurturer, the mom and friend to everyone. She made such a difference in this world, just being her wonderful self.

“ Dear Larry and Family,

We were saddened to hear about Barb's illness and death. She was a wonderful wife and mother who dearly loved her family. She has left a cherished legacy for her family and friends and will forever be missed.

I met Barb when Larry came to Bauder Elementary to teach fourth grade and I was teaching first grade. When we had one of our Bauder Staff parties shortly after Larry came to Bauder, I met Barb. She was pregnant with Davis and holding baby Andrea. Barb greeted everyone with a beautiful smile and was very warm and friendly. Everyone was excited for the new additions to the King family! A few years later I was fortunate to be Andrea and Davis' first grade teacher and I got to know Barb as a parent. She was very involved with the activities of all four of her children and she was always willing to help with school functions. It was fun to be around her positive, friendly, and caring personality. I will never forget her sweet smile.

Jerry and I have great memories of attending Bauder Staff parties hosted by Barb and Larry at their lovely home. They were always generous and fun hosts. Everyone had a great time at their parties! Barb never seemed phased by the large gatherings. When we learned she came from a large, close knit family we understood that large gatherings were normal at the King's!

We are keeping all of you in our thoughts and sending our deepest sympathy for a loss felt by many hearts.

*“One life lived,
Many lives touched.”*

*Sincerely,

“ My deepest condolences to the Daugaard family. Barb was a beautiful lady who left behind a legacy as a loving daughter, mother, sister and grandmother. I am sure she will be deeply missed by the close Daugaard clan. My most recent memory of her was as a gracious host to a large gathering of the Daugaard extended family at her house.

So sorry to hear about Barb. I worked with Barb for 27 yrs. at the AB brewy. She was funny, witty and a bit of a Tom boy. She was not afraid to help you out, when you needed her. One day I was working on the Brewhouse Panel and things were not going so good. As they say I was up to my neck in Alligators. She walked in and jumped right in to help me out. When it was all said and done. The Brewhouse Panel was running smoothly again. This I greatly appreciated. Thanks for the memories Barb, she was full of life and had many friends. She will be greatly missed but not forgotten . Our prayers are with you Larry ,family and friends. Dale and Elaine Barella
