“ *I met Barbara through church choir probably close to 40 years ago. We became friends, and I had a special "inside joke" with her about "marching to the beat of a different drummer" - it always made both of us laugh years later. She would even bring it up & tell people about it if I didn't. She was a bright light in a world needing more of her kind - and I will miss seeing her. I am so sorry for your loss - I didn't realize she had moved from E. Elizabeth. Sincere condolences to all - Denny, Roger - and families.*

“ *I have such fond memories of Barbara! She was a special blanketter for Project Linus! Whenever she had finished an afghan for a child, she'd invite me over to pick it up & she would have tea ready for us to share & visit! I enjoyed her stories & especially her spirit! She was one of a kind & I will miss her a lot! Jan Bradshaw - Previous Project Linus Coordinator for the Fort Collins Chapter*

“ Barbara is one of those people whom one doesn't forget. When she was living on Elizabeth, on several occasions we helped her out with some yard work and gardening. Of course after we worked, we sat and enjoyed cookies and conversation. Barbara had such a sparkle, such zest for life, and she told the most wonderful stories. We were sorry to lose contact with her when she moved, but we can still see her smiling face and hear her infectious laugh. She made the world a better place....

“ What a kind and loving lady! She was so kind to my Mother, Hilda Williams, and our family. She always had a positive attitude in everything she did and lit the world with her wonderful smile. She will be sorely missed by all who knew her.
