“ I owned a duplex and Barbara was a tenant for years, she was such a sweet lady and such a dear person, she will be missed by all of us but I will always have many fond memories of her.

“ Today..my birthday seems like the perfect time to share my fondest memories of mom bittersweet. She was a realist,understanding,determined, honest, compassionate loving and patient. I have the utmost respect for her pride,work ethic,common sense, and the ability to make something out of nothing...all of which made her most importantly...a survivor. I am so blessed I had her as long as I did and for the great mother/daughter relationship we had.I am thankful for the impact she made on my life and her qualities as a mother...all things I have passed on as a mother to my children. She always taught us we have to live with the choices we make and that she did. She was supportive in our decisions as a mother should be but she did let us know what she thought. I know she is at peace now..no more work, pain or sorrow but I will miss her so much and not a day goes by that I don't thank God for her.She will always stay close to my heart. In Loving memory..your daughter

“ Mom was the heart and soul of our family, and an all around great lady. Even through all the losses and struggles of her life, she still managed to often share with us a quick wit, hearty laugh, and sparkling eyes. She limited her own potential in order to support and encourage those she loved. I honor her, miss her, and will forever try to live up to her example. Love, son Greg

“ Aunt Barbara always welcomed me with open arms and leaves me with fond memories of the times we spent together. I wish I could have said goodbye. She worked so hard for so long...I feel like she must be at peace now. Thank you to Stef and Greg for being there and taking good care of her needs.

SN

“ I always admired my Aunt Barbara. She worked so hard, and asked for nothing she didn't earn herself. She was a strong willed individual, and I remember wonderful stories of her and my father Clark J Nauman when they were growing up on the farm in Missouri. She was also very opinionated in politics! She was not afraid to speak up and state the obvious, and was always practical in her thoughts and deeds. I loved her very much and thank her for the good memories. I am blessed to have had her in my life, and have known such an upright person.
