“ *You were a great uncle to me and my brothers, you were like our second dad. I will remember all the great times we had with you and aunt Eleanor. Our Friday night dinners and playing cards until midnight and laughing all night. I loved all the times I spent with you, Aunt Eleanor, and Lenora. I loved hearing all the stories about my dad and all my uncles and auntie. Loved also being your neighbor and going over to help with the chickens and rabbits, and picking those big plums from your tree when you weren't home. Lol. Love you Uncle Ben, I will miss you very much!!*

“ *You are finally with your Honita, your Teddy Bear. You were more than an Uncle to me, You was a teacher, a comedian, a mentor and an all around loving person. You taught me about fishing, raising chickens and bunnies. Every time we would visit, you would always say "Come over again, Huh." You never said Goodbye, so I'm going to take to your example and not tell you Goodbye, I'm going to tell you I love you Uncle Ben and Until I come over again, Huh.*
