“ *Grandma was one of a kind- her sense of humor and her kindness was extraordinary. I was blessed beyond measure to have had her in my life, even for just 5 years. She lived her life in color, and loved without reservation.*

I will miss her playful jokes, smile, and laughter. She was sweetness and light, and a living example of God's love. I could not have asked for a better grandmother in law, and her memory will reside in my heart, Always.

Linda, We are so sorry to hear about Aunt Bennie! Our family knew her for so long that we feel she was a very special person in our lives. My mom, Eliane Menjares missed her and asked about her alot. Now they can talk and visit when ever they want. She was a light to this world and now she is a light in Heaven. So sorry for your loss. Mary Menjares
