“ Dear Owen Family, Barbie, and Aunt Dora, I am shocked and so very saddened by the sudden passing of Beverly. I have wonderful childhood memories of my cousin. Although she was soft spoken, she was funny and always kind. As young adults, I was impressed by her maturity and industry. I will miss her, and I am so very sorry for your loss. Please accept the warmest condolences from myself and my family.

“ I knew Beverly for only a short time as a colleague at the Loveland Library but it was long enough to realize that she was a lovely woman. She always asked after me and my family, and was a cheerful, if quiet comrade. We were all so shocked and saddened by the news of her death, and my thought and prayers are with her family.

“ I first met Bev when she and my sister, D, were good friends back in high school. Bev was such a quiet and pleasant person. My thoughts and prayers go out to her family. She will be missed.
