“ *Bill was my paternal grandfather and I thank God everyday for having him in my life. I must keep saying to myself you're in God's arms now, and I know in my heart I will see you again someday, somehow I'm going to miss you with each passing day. I can feel you here with me, and I hope you can hear me say, 'I love and miss you so much' Your memory is my keepsake, with which I'll never part. God has you in His keeping, and I have you in my heart.*
