

Billy Paul Hickling

August 20, 1961 - March 5, 2021

Billy Paul Hickling (Butch) 8/20/1961 to 3/5/21.

Billy was born to William and Joan Hickling in Ohio where he grew up. During his adult life he took residency in traveling through many states Alaska, California, New Mexico, Arizona and finally settling in Colorado. Billy enjoyed being in the mountains most where he was able to enjoy the four seasons that were offered and the abundance of Lakes and Streams that are present to sink a line and rod in for fishing. He was an avid fan of the Cleveland Browns football team and enjoyed sneaking off to the Casinos in hopes of getting the big money one day. Above all he enjoyed his family and friends most and was proud of his children and grandchildren. He loved his family giving his all to his very last days. He would walk in the room and announce his presence with style, as his arms were raised high, drink in hand and smile from ear to ear he would say " I am large and in charge " with the loudest contagious laugh filling the room. He was our families Rock and Salvation in which he will forever be missed. We were blessed to have him for the time which we did. He will forever be in our Hearts and Memories.
